An engaging virtual learning experience

Creating unforgettable experiences for our clients is one of Prosci's core values. And Prosci has designed the online version of the certification program with the customer experience top of mind.

To ensure a remarkable learning experience, the online program option features:

- Prosci Executive Instructors trained in the latest virtual learning techniques
- A user-friendly, feature-rich online classroom technology
- Multiple interactive capabilities, such as “raising your hand,” asking questions via a chat function, receiving real-time responses to your questions, and participating in contests
- Face-to-face interaction with the instructor and with other attendees who engage using their webcams
- Breakout sessions throughout, to collaborate in smaller groups
- Networking opportunities such as sharing insights with your peers via live polling
- Regular breaks and energizer activities
- Small class size, to optimize the interactive learning experience

Advanced Prosci Digital Tools

Prosci is committed to offering considerable value in every change management program and solution. In addition to providing you an unparalleled learning experience in our Change Management Certification Program, you will receive access to our online suite of advanced digital solutions to guide and support you in your change management endeavors.

The Prosci Hub Solution Suite provides anytime, anywhere access via the Prosci Portal to digital content, resources and tools that help you excel in change management. During and after the program, you'll have access to advanced cloud-based tools and resources including:

- **Research Hub** – A single point of access to Prosci research, including core studies, topical studies and relevant data across a broad array of topics. Reference over 20 years of best practices, lessons learned and insights from thousands of change leaders around the world.
- **Knowledge Hub** – A single point of access to content and resources related to a specific Prosci training program or learning experience. Transition from learning to application by understanding key concepts and building new skills to succeed at change.
- **Proxima** – A web application that guides you through the Prosci 3-Phase Process focusing on the people side of change throughout a project or initiative. Achieve change success and deliver value to the organization by following a structured, adaptable and repeatable approach.

“I encourage you to give Prosci virtual training a try. It's clear that Prosci has been very thoughtful in developing this program, and in how to keep the class engaged and make sure we're truly learning the material.”
